2. On 10 August 1961 I called the State Department TCO and alerted him to the fact that this memorandum will arrive in his office directed to Mr. Hilman. I requested Mr. Polyzoides to hold that memorandum in order that Colonel Beerli and the writer can make an appointment with Mr. Hilman to discuss this general area. I mentioned to Mr. Polyzoides that it would also appear appropriate if he participated in such a meeting.

3. Mr. Polyzoides stated that Mr. Hilman will be on annual leave until 5 September 1961, and he suggested that the writer contact him with regard to this matter at that time in order that action can be initiated to set up the desired appointment.

4. I will tickle this matter for 5 September 1961 and contact you in this regard at that time.
